

Deep & Wide

Mid-Africa Annual Residential Conference
10th-12th September 2010
Glenada Conference Centre, Newcastle

The impact of Mission is Deep and Wide: it's awesome...Life Changing...Memorable...Uplifting...Amazing - the list goes on. This year's MAP conference will be looking at the way mission impacts the lives of individuals and communities around the world, focusing on our work in the Mid-Africa Region.

Rev Adrian Dorrian will be leading our Bible Studies. Adrian is a familiar face to CMS Ireland as a former member of our Board of Trustees. He will be coming to us fresh from his first year as Rector of St Peter and St James, in Connor Diocese. Adrian will be joined by individuals and teams who have recently visited our partners in Mid-Africa - as they share the deep impact mission has had on their lives and the wide impact that the Church is having in Mid-Africa.

If you are interested in coming along, either on a residential basis, or just for the day on Saturday, please fill in the booking form overleaf and return it to the Belfast office.

For more information contact our offices.
