Winter 2022

cmsireland

Welcome... to the latest edition of CMSI's prayer diary.

This booklet includes short, daily prayer prompts covering the breadth of CMSI's work and the work of our partners.

Thank you for investing in this work through your prayers.

As you use the diary, be encouraged that you do so in the company of hundreds of members of CMSI's global family uniting in prayer each day enabling us all to participate in living out the living light of Christ.

We would also encourage you to make regular use of the following **CMSI Prayer** - perhaps on Sundays.

CMSI Prayer

May the God of Light shine brightly on the CMSI family, bringing blessing to - and through - staff, volunteers, members, mission personnel and Global Partners.

May the God of Life bring hope and renewal to those living in despair, in the places where CMSI's partners work.

May the God of Love bring healing and transformation to churches and individuals in Ireland, as they encounter Him afresh and engage in his work of mission.

May the God of Peace and Justice reign in our world. May his Kingdom come, on earth, as in heaven.

Amen.
