

Thank You...

..for signing up for CMSI's 2022 Children's Resource. We hope that you find the material helpful as you inspire your children and young people to play their part in global mission.

Introducing CMSI

The Church Mission Society Ireland (CMSI) is a Christian mission organisation that exists to help God's people engage in God's mission. We make connections between different parts of God's global family and we equip churches and individuals as they work together to share God's transforming love.

The **Children's Resource** is just one of the ways in which we resource the Church in Ireland and encourage parishes to support and be inspired by churches in other parts of the world.

equipping the church **in mission**

Our Global Partners

CMSI has developed strong, fruitful relationships with a number of Anglican Dioceses, local churches and Christian organisations in Africa and South Asia. Our relationships with these **Global Partners** provide the context for all we do.

Kingdom Kids shares stories from some of these Global Partners.

Our Annual Theme

Kingdom Come
heaven among us

Every September CMSI picks an annual theme to help us shape and share our work over the next twelve months. This theme is reflected in our Children's Resource, as well as our magazines and events.

The theme for 2021-2022 is *Kingdom Come*. It's all about sharing stories of heaven in our midst as God's people reflect, share and help extend His kingdom on earth, as in heaven.

The Children's Resource Theme

CMSI's new Children's Resource explores ideas around the Kingdom of God and looks at some things that characterise God's rule and reign. In particular, it draws lessons about children in God's kingdom.

The resource introduces *Kingdom Kids* in the Bible and across the global Church. This dual focus on the Bible and our Global Partners has characterised all of CMSI's Children's Resources over the years.

We pray that through these stories, your children and young people will hear God's call to play their parts as *Kingdom Kids*.

Using the material

Given the continued disruption and uncertainty around church gatherings, the *Kingdom Kids* material has been designed for use in a variety of settings. You can simply pick and choose different activities, films and stories as you see fit. Or you can follow the suggested **Session Outlines** for a more ordered approach.

In addition to the **Global Church Story films** (2-4 minutes for each film), each session includes a **Bible Story** and a range of **Activities** that link to that story. You should find enough variety in these activities for different ages, abilities and settings.

All the material - including the short films - is free to view and download from the *Kingdom Kids* page of CMSI's website. Should you wish to make a donation towards the costs of production, you can use the donate buttons on the web page or send a cheque to CMS Ireland (with 'Children's Resource Materials' on the back).

The web page is password protected. Once you have signed-up for the resource and received the link and password, please feel free to share these details within your own church (with Sunday school leaders, families etc). However, we request that you not share the details outside your church. Simply point people to the Children's Resource page of our website, so they can sign-up their church for the resource. This helps us to track where and how the resource is being used and enables us to provide additional support, where required.
