equipping the church in mission

SS serving in South Asia
CMSI's Local Mission Partner

Please pray for SS

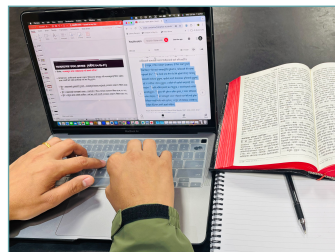

Please pray for SS as he strengthens church leaders working in remote rural areas of South Asia. Working at the LTD under the National Churches Fellowship of Nepal he now teaches courses to students.

These courses use contextual theology based on the lived experience of Nepali Christians who are facing persecution and severe economic and social pressures. SS is building the capacity of local church leaders who have little money and limited time for training, strengthening women leaders (60-65% of church members in parts of Asia are women) and providing support and resources for family ministry.

Points for prayer

- ❖ For health and strength for both SS and his wife A.
- ❖ For inspiration as SS prepares and delivers course materials.
- ❖ For the church leaders and their spouses who are training at LTD.

But it is necessary for you that I remain in the body. Convinced of this, I know that I will remain, and I will continue with all of you for your progress and joy in the faith. [Philippians 1:24-25]
