Bishop Hassan Osman James
Diocese of Kadugli

Please pray for **Bishop Hassan**

Bishop Hassan ministers in a particularly hostile part of Sudan. The Nuba Mountain region which lies along the Sudan/South Sudan border is rich in diversity of people groups and mineral resources. It has been key throughout the conflicts since the early 1980's. Air bombardments and land offensives are ongoing as the government tries to control the region.

Bishop Hassan's primary focus is to work towards peace, and to mitigate the impact of long years of conflict on the communities he serves. "Peace is the wish of everyone in Kadugli. We live in a war zone and so we need peace, and we must teach the children about peace..."

Points for prayer

- ❖ For the humanitarian situation that is very difficult in Sudan.
- ❖ For peace and stability in Sudan, especially the Nuba Mountains.
- ❖ For the church and its mission, to be light and salt in the midst of these difficult circumstances.
- ❖ For the training of local church ministers including leaders of the women and youth ministries.

Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. [Colossians 3:15]
